

THE  
PAPERHOUSE  
COLLECTIVE

ARCHITECTURE & DESIGN

# COMPANY PROFILE.

## SELECTED WORKS

The Paperhouse Collective is a Design Partnership specializing in tailored Architectural & Interior Design, immersive 3D Visualization, and enriching Landscape transformations.

## ABOUT US

At The Paperhouse Collective, we're not just a design firm; we're a passionate group of creators who thrive on turning your vision into reality. Our team's expertise and dedication come together to bring you exceptional spaces that truly resonate with your essence. Our fundamental principle lies in creating affordable, practical and eco-friendly design.

While being part of a young community of Architects, we are sure to bring a fresh, timely perspective to each design. We love a good challenge, and we use our artistic touch to make projects stand the test of time.

So, trust us to transform your project into something special.

## THE TEAM

Introducing The Paperhouse Collective team, a group of young passionate creatives dedicated to delivering quality in every project. We cherish the relationships we form with both clients and each other, treating everyone with the utmost value. Our commitment to upholding the highest standards ensures that every collaboration is not only creative but also thoughtful and well-structured.

## MISSION

At The Paperhouse Collective, we're on a mission to infuse creativity into every aspect of design, creating a place where our clients and our team thrive. We're all about delivering great value through innovative design and helping our community grow. We believe in the strength of diversity and how it enriches our work and our world. We're also dedicated to making the process of designing easy and enjoyable while continuously learning and educating ourselves and those around us

## VISION

Our vision at The Paperhouse Collective is to be known for our creativity and top-notch design, while building an inclusive and dynamic community of artists, designers, and clients. We want to empower those around us and share our experiences to help others grow with us. We see a future where diversity and sustainability enhance our work and our community's growth. Through our commitment to delivering the best client experience and a strong focus on education, we aim to make the process of creating exceptional living spaces a joyful journey for everyone.

Discover the power of 3D Visualization to visualize your projects vividly before they become reality.

# ARCHITECTURE DESIGN

Our Architecture Design services cover Residential, Commercial, and Institutional projects. We partner closely with clients and contractors, crafting customized designs that bring your vision to life.

Project Name : **Moonline Resort**

Location : **Munnar, Kerala**

Type : **Concept Design**

Year : **2023**

Project Name : **Pradeep Kumar Residence**  
Location : **Kasaragod, Kerala**  
Type : **Exterior Design**  
Year : **2023**

This budget-friendly house leverages the advantages of a sloped roof design to create an inviting and aesthetically pleasing silhouette. The design prioritizes simplicity, functionality, and visual harmony, ensuring that the house integrates itself into its environment.

Project Name : **Museum of Handloom & Handicrafts**  
Location : **Mahabalipuram**  
Type : **Museum Concept Design**  
Year : **2023**

Located in Mahabalipuram, The Museum of Handloom & Handicrafts conceptualizes the elements of the local traditional Architecture and newer contemporary elements to present a timeless experience of education and entertainment to the visitors.

Project Name : **Museum of Handloom & Handicrafts**  
Location : **Mahabalipuram**  
Type : **Museum Concept Design**  
Year : **2023**

The focal points of the design lie in the façade and the interactivity between the landscape and the building. The façade uses the Tamilian weaving pattern “Thazampoo Reku” as an element of inspiration and is used in the openings to connect users on all levels.

# INTERIOR DESIGN

Discover our Interior Design services, where we offer everything from furniture design to innovative interior solutions and unique product offerings. With our design curation expertise, we bring your vision to life even before it's built, ensuring a fully realized and unique interior space.

Project Name: **Red Brick Home**  
Location: **Payyanur, Kerala**  
Type : **Residential Design**  
Year : **2022**

Project Name : **Café Chalanam**  
Location : **Fort Kochi, Kerala**  
Type : **Concept Interior Design**  
Year : **2023**

Café Chalanam (Café ചലനം) is a conceptual café/ restaurant that is placed on the outlines of Fort Kochi, Kerala. Although small in area, the interiors provide an elevated, modern take on Fort Kochi's French-Portuguese influenced persona.

Project Name: **Emerald Villa**  
Location : **Payyanur, Kerala**  
Type: **Concept Interior Design**  
Year: **2023**

The Emerald Villa has a Living Room design that encourages social interaction by creating a well-equipped space while bringing open connectivity to its neighboring courtyard. The colours and materials flow gently into the outdoors.

Project Name : **Café Chalanam**  
Location : **Fort Kochi, Kerala**  
Type : **Concept Interior Design**  
Year : **2023**

# LANDSCAPE DESIGN

Elevate your surroundings with our curated Landscape Design services. We specialize in crafting unique landscapes that not only enhance your building's appeal but also create an inviting and co-existent atmosphere.

Project Name: **Red Brick Home**  
Location: **Payyanur, Kerala**  
Type : **Residential Design**  
Year : **2022**

The Red Brick Residence makes a home out of natural materials and colours remaining humble to the eyes despite it's relatively larger scale. The project's focus lay on creating a connection between the formal, informal and outdoor spaces seamlessly.

Project Name: **Red Brick Home**  
Location: **Payyanur, Kerala**  
Type : **Residential Design**  
Year : **2022**

Project Name: **Red Brick Home**  
Location: **Payyanur, Kerala**  
Type : **Residential Design**  
Year : **2022**

Project Name : **Pradeep Kumar Residence**

Location : **Kasaragod, Kerala**

Type : **Exterior Design**

Year : **2023**

# 3D VISUALIZATION

Explore the power of 3D Visualization. We bring your projects to life before they're built with 360 views, images, animations, and videos. Ideal for creating an immersive picture of the conceptual ideas.

Project Name: **Red Brick Home**  
Location: **Payyanur, Kerala**  
Type : **Residential Design**  
Year : **2022**

Project Name : **Moonline Resort**  
Location : **Munnar, Kerala**  
Type : **Concept Design**  
Year : **2023**

The Moonline Resort is a conceptualized Mountain Retreat that alludes the picture of the perfect weekend getaway. The design stays close and nestled into nature, allowing the users to experience the luscious greenery and relaxing weather.

Project Name : **Moonline Resort**  
Location : **Munnar, Kerala**  
Type : **Concept Design**  
Year : **2023**

This Project was visualized by representing Design elements with personal experiences to immerse the client in the leisurely environment of the space.

Project Name : **Moonline Resort**  
Location : **Munnar, Kerala**  
Type : **Concept Design**  
Year : **2023**
